Options: The following suffixes may be added to the models above to indicate grate finish:

- PS: Polished stainless steel
- SS: Satin stainless steel

Note:
- Where no means to connect to plumbing waste system is provided, shower drains must be installed with a drain with matching internal thread and certified to the appropriate standard as dictated by the local plumbing code where the drain is to be installed.

## APPLICABLE REQUIREMENTS

ASME A112.18.2-2011/CSA B125.2-11          Plumbing Waste Fittings
