

FCBAS 25 Series

Double Waterproofing Drain

- FCBAS 2532 - 32" Complete Kit
- FCBAS 2536 - 36" Complete Kit
- FCBAS 2542 - 42" Complete Kit
- FCBAS 2548 - 48" Complete Kit
- FCBAS 2560 - 60" Complete Kit

Features

- 16 gauge, 304L stainless steel channel
- 12 gauge, 316L stainless steel grate
- Pre - pitched channel
- Grate can be removed for cleaning
- NOT Site Sizable®
- Compatible with double waterproofing
 - Primary waterproofing: PVC Liner, Rubber Liner, Hot Mop, Copper Pan, Lead Pan, or Fiberglass
 - Secondary waterproofing: liquid applied or fabric sheet membrane
- Flow rate - 9 gpm per outlet
 - Flow rate measured at outlet only. Measurement does not account for water in channel or sheeting on shower floor.
 - Additional outlets can be added and combined into a larger waste line to increase flow rates

Installation

Care & Maintenance

FCBAS 25 stainless steel linear drains are made of 316L stainless steel. This material is non-porous, hygienic, rust-free and extremely durable. Bar Keepers Friend® and Soft Scrub® are commonly available products that can be used to protect and clean your Satin Stainless drain cover. For stains that have been left for an excessive amount of time, stronger cleaning agents such as Steel Brite® may be needed. For Polished Stainless and other finishes we recommend a mild soap and a soft cloth for cleaning. DO NOT use any abrasive cleaners, scrub pads or allow household cleaning agents, such as bleach, to sit on the drain cover for a long period of time. Stainless steel does not rust. External factors, such as contamination from other highly ferrous metals, built up road salt, sea salt, or chlorine may have caused "surface" rust which can be removed using Barkeepers Friend®, Soft Scrub®, or Steel Brite®. Always follow the directions on the bottle. Follow proper maintenance procedures to prevent excessive surface rust. In areas of frequent exposure to salt, chlorine, and other chemical compounds, maintenance of the stainless grates should be performed at least 2-3 times per year.
