## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at [pld.iapmo.org](http://pld.iapmo.org)

Effective Date: February 2019 -Rev. 2/19/2019- Void After: February 2024

Product: Commercial and Residential Floor Drains File No. 11455

Issued To: Infinity Drain, Ltd.  
145 Dixon Avenue  
Amityville, NY 11701

Identification: Manufacturer's name or trademark, and load specification. Markings shall appear on the grate, cleanout cover, or top rim (as applicable) and on the body, and shall be legibly marked. The marking shall be accomplished by use of a permanent mark or by placing a permanent label on the product. Product shall also bear the cUPC® certification mark.

Characteristics: Floor and general-purpose drains with Metal, ABS, and PVC components to be installed in accordance with the manufacturer's instructions and the latest edition of the Uniform Plumbing Code® and the National Plumbing Code of Canada. The grate free area shall meet the minimum dimensions per ASME A112.6.3 with respect to the outlet connection size.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are in compliance with the following code(s):  
Uniform Plumbing Code (UPC®)

  
Chairman, Product Certification Committee

  
CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
